Reminders: Coaches should ask players to arrive 15 minutes prior to the start. Seven players play and if a team only has six, they may play but they will play against seven. Each team is responsible for **1 referee** (with whistle).

Do not call anyone about rain outs before 5:30. In most cases the games can be played as long as it is not raining at game time. In case of rainout, check with League Officers before scheduling a make-up game. Most of the fields are being used on Mondays, Tuesdays, and Thursdays with a few slots open for make-up games.
